

AMANDA TA

San Diego, CA, 92040 | ata3958@sdsu.edu |

EDUCATION

Bachelor of Arts in Psychology, San Diego State University

08/2024 – Present

Department GPA: 3.8, Cumulative GPA: 3.6

San Diego, CA

ACADEMIC PRESENTATIONS

Ta, A., Matt, G. E., Wooldridge, G., & Greiner, L. (2026). *Smoking and vaping policies in newly constructed, state-funded multiunit housing in California* [Poster presentation]. Third Annual Research Symposium on Tobacco and the Environment, Southeast Live Well Center, San Diego, CA, United States.

Ta, A., Matt, G. E., Wooldridge, G., & Greiner, L. (2026). *Smoking and vaping policies in newly constructed, state-funded multiunit housing in California* [Poster presentation]. SDSU Student Symposium (S³), San Diego State University, San Diego, CA, United States.

HONORS

Dean's Award for Top Poster Presentation | SDSU College of Sciences

02/2026

- Top presentation, College of Sciences 2026 SDSU Student Symposium (S³)

SDSU Merit Scholarship

08/2024 – Present

- 4-year full tuition scholarship for outstanding local incoming students

RESEARCH EXPERIENCE

Kappenman Laboratory, SDSU

02/2026 – Present

Principal Investigator: Emily Kappenman, PhD

San Diego, CA

Research Assistant

Neural Correlates of Cognitive Control in Healthy Adults (ongoing)

- Prepared and documented raw EEG datasets for preprocessing and analysis
- Collected and managed EEG datasets from healthy adult participants during a cognitive control task
- Monitored task performance and ensured high-quality EEG signal acquisition during experimental sessions

Policy Research Center | Center For Tobacco and the Environment, SDSU

09/2025 – Present

Principal Investigator: Georg Matt, PhD, Mentor: Lydia Greiner, DrPH

Undergraduate Researcher

Tobacco smoke remediation practices in San Diego County (ongoing)

- Prepared background and methods sections for a mixed-methods study investigating residential tobacco smoke remediation practices and thirdhand smoke contamination
- Developed a database of **100** remediation and cleaning businesses and certified professionals using IICRC records, business directories, and public databases
- Contributed to recruitment protocol design and implemented purposive and snowball sampling

Smoking and vaping policies in newly constructed, state-funded multiunit housing in California.

- Integrated administrative and survey data from **281** newly constructed state-subsidized housing developments to evaluate implementation of smoking and vaping policies
- Conducted structured qualitative coding of interview and survey data to operationalize smoking and vaping lease policies and enforcement procedures into thematic categories
- Synthesized survey responses from **57** California affordable housing properties to identify patterns in lease policy inclusion and enforcement
- Interpreted findings to identify inconsistencies, ambiguous enforcement mechanisms, and gaps in lease disclosure

SKILLS

Software

R, Pycorder, SPSS, HTML, Excel

Statistics

Descriptive statistics, t-tests, ANOVA, correlation, linear regression (SPSS)

Methodology

EEG, Qualitative coding (thematic analysis), Survey & Interview design, database development

Theory

Public policy, Environmental factors

COURSE PROJECTS

Future of LSD in Clinical Treatment

9/2025 – 10/2025

Physiological Psychology (Advisor: Nirelia Moranton, PhD)

San Diego, CA

- Conducted and presented a systematic literature review consisting of **8** recent academic articles with **3** other team members on clinical applications of LSD, with emphasis on 5-HT_{2A} receptor binding mechanisms demonstrated in cortical neurons of mice

OUTREACH

The Ground Up Project: San Diego (tgupsd.org)

01/2024 – 9/2025

Vice President

Jamul, CA

- Organized and coordinated the distribution of over **4,100** lbs of food, clothes, books, and hygiene supplies to local charity organizations through large-scale donation drives, particularly for those navigating humanitarian crises

PROFESSIONAL MEMBERSHIP

- American Psychological Association
- Psi Chi, International Honor Society in Psychology & Psychology Club

Last edition: July 2026
